FROM THE FOUNTAIN HEAD

Chandni
Head, ALLEN IntelliBrain
ALLEN Career Institute Pvt. Ltd.

Our childhood experiences not only shape us as individuals but collectively shape the society as well. Therefore, it is crucial to focus not just on building knowledge but on nurturing the whole personality of a child. Unfortunately, our traditional education system often falls short in this regard.

Therefore, our team, carrying forth the rich legacy of career building expertise of ALLEN Career Institute Pvt Ltd, decided to delve into deep research in the field of childhood development and child pedagogy, resulting in the development of an array of exclusive products and programmes, tailor-made to meet the unique needs of children to help them become well-rounded and successful individuals in the future.

One such progressive product is Skoolplus, workbooks for building IQ and Competitive temperament in kids to confidently ace school as well as competitive exams. It arms kids with the right tools to build a successful professional career in the future.

FROM CHILDHOOD DEVELOPMENT EXPERTS

Studies show that the pressure of completing the school curriculum and acing competitive exams appears to be stealing the joy of learning from children. The progressive Skoolplus Workbooks are designed to effectively solve this problem by enabling children to achieve the desired learning outcomes in much lesser time with much lesser effort due to the chosen curriculum, crisp content & practice questions.
